

PEEPLIFY

Workforce Management, Simplified

Attendance, payroll, leave, roster, proof and owner control in one easy mobile-first platform.

Built for Indian businesses with 10–50 employees

Peeplify helps owners reduce attendance disputes, track staff with selfie and GPS proof, manage leave and payroll, and run day-to-day workforce operations from phone or desktop.

What Peeplify handles

Attendance with proof

Selfie + location-backed check-in and check-out with employee profile support.

Leave and corrections

Leave requests, missed punch fixes, owner approvals and clean monthly records.

Payroll clarity

Salary snapshots, advances, payable days and branch-specific workday rules.

Roster management

Shift setup, templates, weekly offs, planning, conflicts and assignment control.

Owner dashboard

See present, absent, late and forgot-checkout staff at a glance.

Commercial-ready

Plans, billing, invoices, support requests and renewal flow.

Ideal for these businesses

- Hospitals, nursing homes, clinics, diagnostic centres
- Hotels, guest houses, restaurants, banquet halls
- Retail shops, supermarkets, showrooms
- Pharmacies, salons, gyms and fitness centres
- Factories, workshops, petrol pumps and plants
- Security agencies and housekeeping services
- Schools, coaching and training institutes
- IT companies, consultancies and offices

Target market

Punjab and North India SMBs that want stronger discipline without enterprise complexity.

Why owners choose it

Simple setup, mobile-first workflow, clearer payroll and fewer attendance disputes.

Simple pricing

Starter

Up to 10 employees, INR 1100 / month

Growth

Up to 25 employees, INR 1600 / month

Business

Up to 50 employees, INR 2100 / month

Quarterly, half-yearly, and yearly discounts available. 3-day free access for new workspaces.
